## OUR PLATFORM.

a Such Constitution and Laws as will effect tually secure the civil and political rights o ALL persons .- Gen. Grant's Message, April

7th, 1869. Which means restoration of civil government; no proscription; universal amnesty and Equal Rights before the law to all, denial of Justice to none; no exclusive emol-uments or privileges to any class; taxation And to the end that all persons, white and

black, rich and poor, may enjoy the full benefits of free government, and the fruits of their toll, we will add: Low Taxes and an economical government.

# CARPET-BAGGERS PLAT-

Proscription.—In proof of which, see Franchise clause, No. 7, of the Eggleston gro man," is in bad odor. Constitution, permanently establish oath excluding from suffrage and holding office a large class of capable and meritorious citizens irrespective of party, who are nevertheless saddled with the burthens of government. Consequently it means: Class Legislation

chisement, to the State Convention of follows: that the work is fairly done, and will serve effectually to remove the erroneous impressions by which the minds of that class have been inflamed with prejudice against the resident white population by disappointed if three-fourths of the votes
